Ninety Mile Beach 4wd tours

Peter and Xiaoli Tours are fully licensed operators undertaking 4wd tours up Ninety Mile Beach in the very far north of New Zealand to Cape Reinga.

Come join us on 5 hours plus of tour. We drive the length of the beach from Waipapakauri Ramp to Te Paki Stream in the very far north of the beach. 77 kilometres of beach driving with many stops on route.

Once we leave our base our time is yours. There is no rush. We stop as often as you wish.

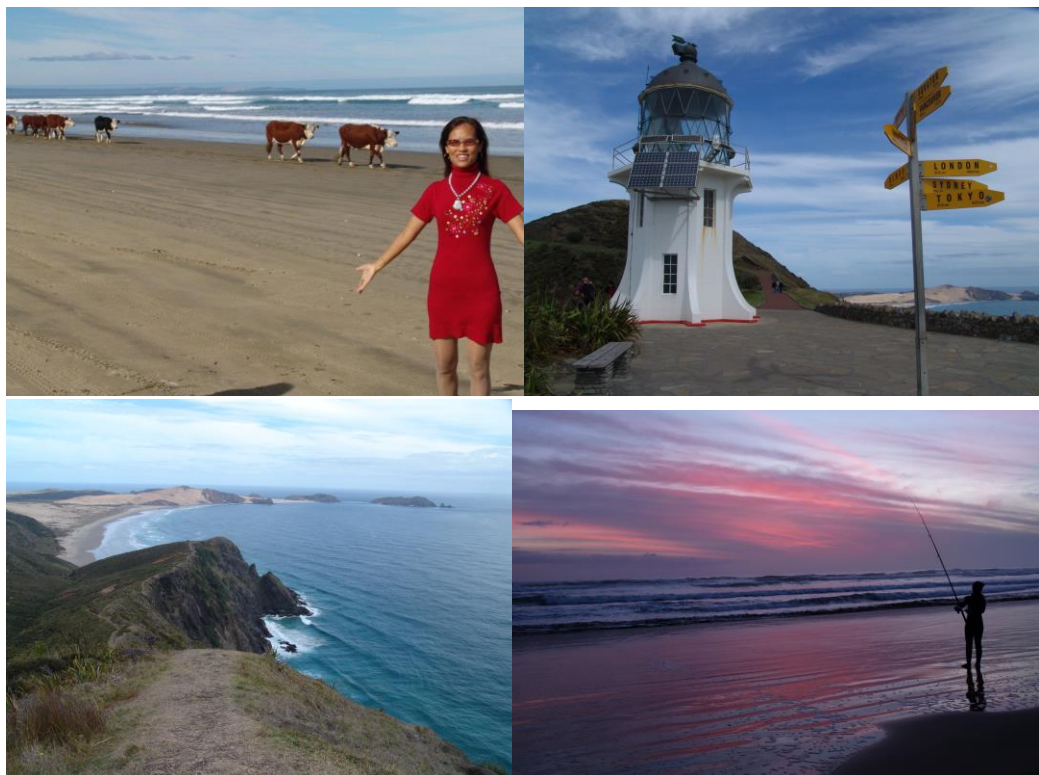

I love photography so happy to stop why you photograph, pick up shells, or just enjoy the awesome scenery.

We have lunch at Tapotupotu Bay. A little east coast bay/beach just 10 minutes from the light house and Cape Reinga. A picnic lunch in the summer and winter if I can keep it warm, a Chinese style lunch.

The return trip we do down the No 1 and stop a few times on route for more spectacular photography of sites you will see.

\$550 (NZ) will buy an exclusive tour to you and up to 3 others. I do not mix people/groups up. Our tours are exclusive
